LYNNWOOD POLLED SHORTHORN
Auction Sale

At the Farm 3 Miles East of
Carmel, Indiana
on Route 234

Saturday, June 1, 1946

Please bring this catalog with you to the sale

FOREWORD

We hope that all Polled Shorthorn breeders and everyone who admires good livestock will be our guests on June 1st. The Polled Shorthorn herd at Lynnwood is better than at any time in its history. All efforts are directed toward the production of Polled Shorthorns that are an improvement in the Lynnwood herd and to the breed everywhere.

This entire sale offering is rich in the breeding found in the top cattle at Lynnwood. Every animal except four traces on one side or the other of the pedigree to King Collynie Jr. The offering is uniform in breeding.

We invite you to study these pedigrees and the cattle and to be with us sale day. It is our hope that your purchases will be a source of both profit and pleasure to you.

CHAS. H. NICKEL,
Manager.

Won his class at the 1940 International, was the top bull in the International Sale. His record as a sire is outstanding. A few of the winnings of his get are: Reserve champion and top selling bull at the 1944 National Polled Shorthorn Congress; champion heifer at the 1946 National Polled Shorthorn Congress. At the 1944 Indiana State 4-H Club Show a steer by him won first in a class of 37 steers, horned and polled, a get of sire made of three steers won second at the same 4-H Show, all breeds competing. At the 1945 Indiana State 4-H Club Show a heifer by him was the champion Shorthorn heifer, both horned and polled. His sons and daughters are passing on to their offspring the desirable qualities necessary to outstanding beef cattle.

This herd sire is considered just about as nearly perfect an aged beef bull as any bull can be by good judges who see him at Lynnwood Farm. He was the first prize senior bull calf at the 1940 International and in the first prize pair of calves at that show. His sire Collynie Spotlight is sired by the twice International Grand Champion bull Lord Collynie that probably did more to influence the trend to modern type Polled Shorthorns than any other bull. Scottish Daybreak 9th, the granddam of Collynie Spotlight, was the 1931 International grand champion female and one of the greatest producing cows of the breed. Two of her daughters are in the Lynnwood herd. The dam of Lynnwood Spotlight is sired by an International grand champion horned bull by the great Browndale Count.

Lynnwood Defender is no longer in the breeding herd. His service to the herd was lost a little over a year ago. A leg injury as a calf kept us from ever showing him and shortened his usefulness as a herd sire. He is a full brother to our 1941 champion female Lynnwood Daybreak. His dam is the best producing cow in the Lynnwood herd. His sire was one of the best sons of Sultan's Standard. Some of the best cattle on the farm are by him. His greatest contribution to the Lynnwood breeding program is his son Lynnwood Hero.

Many of the heifers carry the service of this outstanding young bull. He was the junior champion bull, in the best two bull group, and the first prize pair of yearlings at the strong show of Polled Shorthorns at Wellston, Ohio last year. He is sired by the very thick low-set compact grandson of Collynie Type 3d, Collynie Lad. Collynie Lad is a sire of unusual ability in that he stamps these qualities on his offspring. He has sired several champions at State shows and sales for Carl Cross. You will like the extreme thickness and the balance of Collynie Crusader and we believe calves by him will be the right kind.

	Red, Fred A. Johnson	Red, Fred A. Johnson

Bred October 16, 1945 to Collynie Crusader x2255997. This heifer is very straight and level in her lines and looks like a great brood cow prospect. Note that she is sired by Fascinator, a double grandson of King Collynie Jr., and out of an own daughter. Lady Cherry 3d, her dam, produced the second top bull in our 1943 sale.

COLLYNIE GOODS JR., champion bull at the 1942 National Congress Show and Sale, Sire of Lot 10.

Bred October 6, 1945 to Collynie Crusader x2255997. Riverside Fascinator was scheduled to succeed Collynie Compact as a Hultine herd sire but was lost. Without a doubt he was one of the great sires of the breed. His sons and daughters now in the Hultine and Fred Johnson herds are sensational. This heifer is no exception and she is just the last one of this sale group that we wanted to part with. Her granddam is the dam of Daybreak's Bud. This pedigree has in it enough outstanding cattle close up to take out most of the gamble.

Bred October 27, 1945 to Collynie Crusader x2255997. Had this heifer not been mated to calve ahead of the shows she would have been in our show string this year. Her dam is one of our most consistent producers of top calves. In the Lehnert show herd she stood next in class at the Ohio State Fair to Lynnwood Daybreak, the junior champion heifer of 1940.

LYNNWOOD NUGGET

Bred October 4, 1945 to Collynie Crusader x2255997. This is a dehorned heifer and why she should have come with horns is a bit hard to figure. The columnar form pedigree of her dam shows eight polled dams and nine polled sires. Her dam, an Omaha champion, is one of our very best cows and an extremely heavy milker. One of her sons was exported to Australia.
